How to Obtain Subsidiary Print and Farm Map from FSA

1. Visit the FSA office locator website here
2. Scroll down and enter your state and county in the drop-down boxes, then click **GO**.
3. Contact information will appear below for both the Farm Service Agency and Natural Resources Services offices. **You want to contact the Farm Service Agency to obtain your subsidiary print.**
4. Use the contact information to either call or email your office, and tell them you are applying for an Advancing Markets for Producers grant and are required to submit a subsidiary print and farm map.
5. You will receive your subsidiary print via email. You will be asked to upload these documents when you are filling out your application online.
